### Where we are

Just 15 minutes drive from the hotel lies the town of Taormina, where you can find the largest Greek Theatre in the Mediterranean, dating back to the 3rd Century AD. For shopping enthusiasts, the fashionable boutiques of Corso Umberto are waiting, while the beautiful public garden at the Villa Comunale provides a perfect setting for an afternoon stroll.

The Hotel Caparena is also an ideal base from which a range of unique excursions can be made - a trip to the Volcano of Etna, or to the nearby Aeolian Islands, with its natural springs and breathtaking landscapes, are sure to delight those seeking a special holiday experience.

Remember that a free Shuttle Bus connects guests every day with the historical centre of Taormina (March through October).
